The success story of geometric fonts is easily understandable. They are open, friendly and blend in quietly and unobtrusively everywhere. If Galano were a person, it would be the ever-optimistic acquaintance who cuts a fine figure in both small talk and political discussions. Someone who can do everything and makes everyone feel at ease. Hi, my name is Galano. Neue Galano.

COLOURS OF MIDNIGHT

26 MARCH
KREUZ GALLERY

AUTUMN WINTER 22—23

In March 2011 at San Francisco's M. H. de Young Museum, Balenciaga celebrated the opening of Balenciaga and Spain, a 120-piece fashion retrospective of Cristóbal Balenciaga's career. The exhibition included many designs from the museum's encyclopedic costume collection. "You can't even measure it", said Rodarte designer Laura Mulleavy of Cristóbal Balenciaga's influence.¹ The \$2,500-a-ticket fund-raiser for the museum drew 350 guests, including Denise Hale, Marissa Mayer, Vanessa Getty, Victoria Traina, Vanessa Traina, Jamie Tisch, Gwyneth Paltrow, Orlando Bloom, Balthazar Getty, Maggie Rizer, Connie Nielsen, Maria Bello, and Mia Wasikowska.¹

¹ "A Spanish Night for Balenciaga in San Francisco". Women's Wear Daily. 25 March 2011. Retrieved 27 March 2011.
